### 2012 New Holland L225 Skid Steer

Less than 1000 hours on machine. Less than 10 hours on rebuilt motor. About 95 hp turbo charged engine. Complete engine rebuild including heat, injectors, glow plugs and diesel pump.

All wiring has been gone through, cab has been redone, and the quick tach has been redone. Pictures for proof of engine work available. There is also a heater in cab. Previous owner punctured the oil filter and locked up the motor. Machine then sat for a couple

years before we purchased it. Sells with bucket.
